

COMMUNITY LIVING

Upper Ottawa Valley

Parent Information Session

This information session will connect families of children, teens and adults with an intellectual disability to resources and tools that will help navigate through the transitional stages of life and empower you along the way!

We will provide you with resources and information that will assist with:

- * ODSP Information
- * Transitional Support
- * New Employment Services
- * Use of Passports
- * Estate Planning
- * Financial Planning

Take advantage of this FREE information on:

Thursday, February 15, 2018

6:30 pm
