

AGM 2019

ANNUAL GENERAL MEETING

THURSDAY, SEPTEMBER 26

GUEST SPEAKER

KATHARINE VISCARDIS

Katharine Viscardis is a PhD Candidate in the Canadian Studies program at Trent University. She witnessed the horrors of child institutionalization while volunteering in a Bulgarian orphanage in 2010. For her dissertation, Katharine chose the legacy of Canada's first institution designed for children and adults with disabilities, the Huronia Regional Centre. Katharine's dissertation is a significant contribution to research, particularly considering current movements of austerity which threaten to reverse the gains made in the movement for deinstitutionalization in Ontario.
