

Our lives are better by relationships and human connections and changing community culture involves all of us. Join us for an evening with Dr. David Pitonyak as he shares how to enhance the culture of the community:

“From Presence to Citizenship”

On the journey to an inclusive society, people with intellectual and developmental disabilities are now present in all aspects of our communities. This information session will explore “what's next?”

DR. DAVID PITONYAK, PhD

Consultant, Trainer

“Working with David allows us to engage in a new conversation about complex and challenging situations. Hearing and being part of many people’s stories allows him to share a rare expertise.”
